

List of ISO 14001-certified Facilities

All of the Brother Group's manufacturing facilities as well as the sales facilities listed in the table below have acquired ISO 14001 certification (an international standard for environmental management systems) in accordance with the Brother Group Environmental Policy. Environmental improvement activities have been designed in compliance with the requirements. As of April 1, 2019, 88% of the Brother Group's facilities have received ISO 14001: 2015 certification. When a new business site is established, activities are implemented in compliance with ISO 14001 concurrently with the commencement of operations, in principle. ISO 14001 certification is immediately obtained in order to maximize the effectiveness of environmental conservation activities.
