# Tree How to make a Printed Origami Letter

💡 Select double-sided printing.

Step1

Cut along the dotted line on your origami template.

Step2

Write your message inside the origami template's designated writing area.

Step3

Check the orientation of your paper before you begin and check the instructions or videos on the website as you fold.
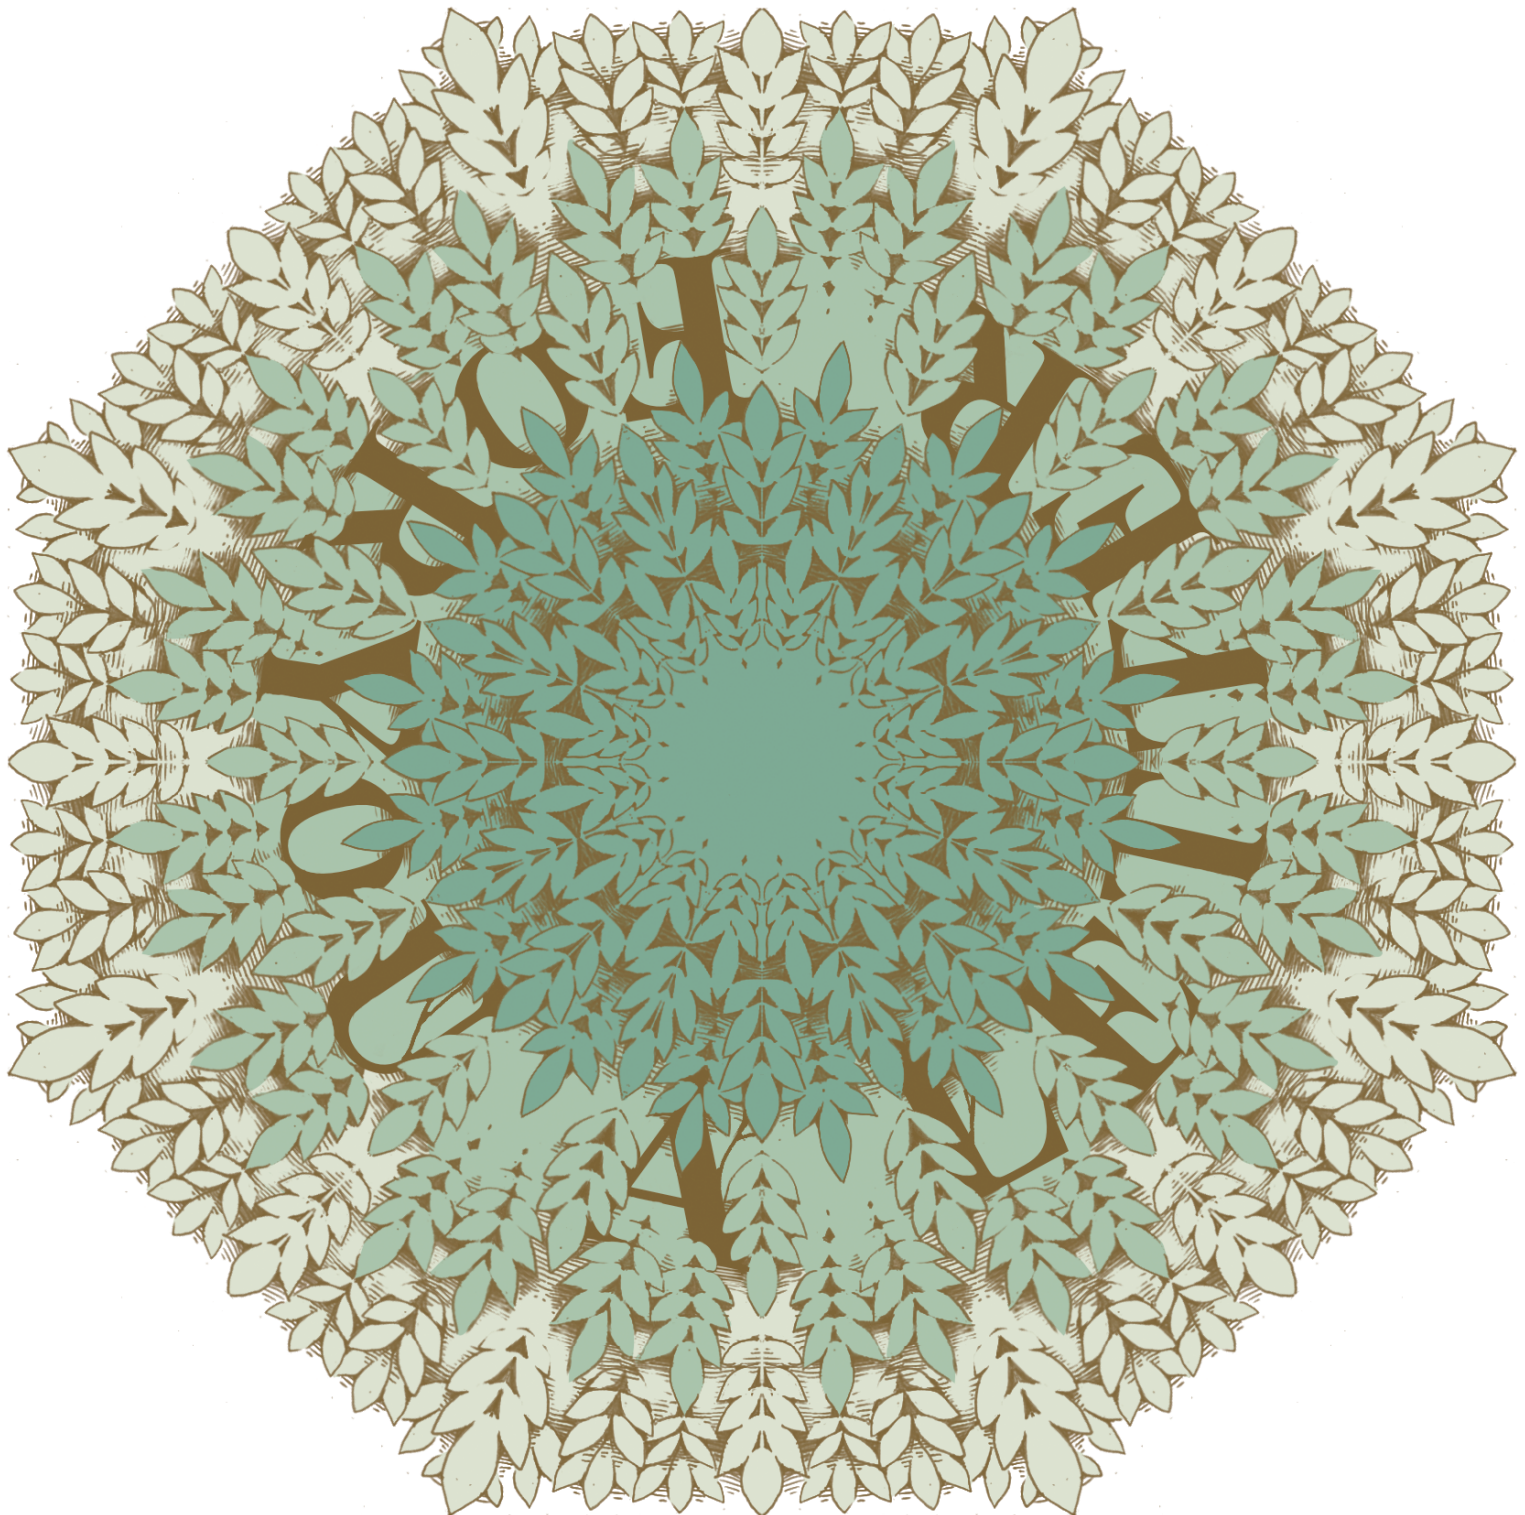

Step4

Your Origami Letter is complete when you make the last fold. Now share your message with someone!
